WORK EXPERIENCE

Dates From **January 2004**

Employer Private Firm – Chartered Accountant Turri - Lucca

Type of business Administration and finance advisory, accounting, tax and controlling

Position held Founder of the Firm - Chartered Accountant

Main activities and responsibilities I carry out activities of consulting and training on workplace safety and privacy. I manage a law, tax, financial and auditing firm with expertise in the real estate act. The firm is composed by several specialists. I have created a network of professionals specialized in legal, tax, financial and estate distributed throughout the Italian territory. The firm provides auditing and consulting services in partnership with associated firms/specialists based in Milan. In partnership with a software company, I follow activities of business management, integrated management software implementation, cost accounting and financial consultancy (drafting Business plans, Information memorandum, ratings and Basel 2 for banks, loans). I provide services of technical accounting financial analysis reports for banks and customers negotiations, including expert opinions. I held the role of trustee in bankruptcy procedures. I am a member and I manage the financial, tax and legal side of many companies in the field of renewable energies and partner in several real estate and building companies.
